

Frequently Asked Questions:

Q: Why get this program?

A: We noticed that a lot of our patients are now self insured and that the individual insurance premiums are at an all time high of an average of \$100/month. This comes to an expense of over \$1,200/year with coverage. In addition, you still may have an additional co-pay or waiting periods on the policy.

Q: What if I need periodontal maintenance cleanings and NOT general dental cleanings?

A: There is an upgraded package cost of \$100 additional for the program. Total cost would be \$350.00

Q: How long is the program valid for?

A: The Oral Wellness Program is valid from 1 year from your purchase date.

Q: How much savings do I get for any additional treatment needed during this program?
